INDEPENDENT AUDITORS' REPORT

The General Assembly and Legislative
Agencies and Commissions of the
Commonwealth of Virginia

We have audited the accompanying cash basis financial statements of the General Assembly and Legislative Agencies and Commissions of the Commonwealth of Virginia as of and for the year ended June 30, 2012, as listed in the Table of Contents. These cash basis financial statements are the responsibility of the respective managements of the General Assembly, and Legislative Agencies and Commissions of the Commonwealth of Virginia. Our responsibility is to express an opinion on these cash basis financial statements based on our audit.

We conducted our audit in accordance with auditing standards generally accepted in the United States of America, and the standards for financial audits contained in the *Government Auditing Standards*, issued by the Comptroller General of the United States. Those standards require that we plan and perform the audit to obtain reasonable assurance about whether the financial statements are free of material misstatement. An audit includes examining, on a test basis, evidence supporting the amounts and disclosures in the financial statements. An audit also includes assessing the accounting principles used and significant estimates made by management, as well as evaluating the overall presentation of the financial statement. We believe that our audit provides a reasonable basis for our opinion.

As described in Note 1, these financial statements were prepared on the cash basis of accounting, which is a comprehensive basis of accounting other than generally accepted accounting principles.

In our opinion, the financial statements referred to in the first paragraph present fairly, in all material respects, the cash balances of the General Assembly, and Legislative Agencies and Commissions of the Commonwealth of Virginia as of June 30, 2012, and its cash basis revenues and expenditures for the year then ended on the basis of accounting described in Note 1.

In accordance with *Government Auditing Standards*, we have also issued our report dated October 15, 2012 on our consideration of the General Assembly, and Legislative Agencies and Commissions of the Commonwealth of Virginia's internal control over financial reporting and on our tests of its compliance with certain provisions of laws, regulations, contracts and grant agreements and other matters. The purpose of that report is to describe the scope of our testing of internal control over financial reporting and compliance and the results of that testing, and not to provide an opinion on the internal control over financial reporting or on compliance. That report is an integral part of an audit performed in accordance with *Government Auditing Standards* and should be considered in assessing the results of our audit.

**GENERAL ASSEMBLY AND LEGISLATIVE AGENCIES AND
COMMISSIONS OF THE COMMONWEALTH OF VIRGINIA**

**NOTES TO THE FINANCIAL STATEMENTS
June 30, 2012**

NOTE 1. SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES:

Reporting Entity:

The General Assembly of the Commonwealth of Virginia is the legislative body of the State. The Legislative Agencies and Commissions included herein assist the General Assembly in carrying out its responsibilities (see Note 2). These entities are referred to hereafter as 'agencies'.

Fund Accounting:

The accounts of the agencies are organized on the basis of funds, each of which is considered a separate accounting entity. The operations of each fund are accounted for with a separate set of self-balancing accounts that comprise its – revenues and expenditures. The following funds are used by the agencies.

General Fund - is the operating fund of each agency. It is used to account for all appropriations from the General Fund of the Commonwealth and other receipts that are not specifically allocated by law or other contractual agreement to another fund. Proceeds from the sale of fixed assets are retained in each agency's general fund and revert to the General Fund of the Commonwealth only upon resolution of the General Assembly. General operating expenditures, fixed charges and capital improvements are paid through this fund.

Special Revenue Funds - The Special Revenue Funds are used by certain agencies to account for the proceeds of specific revenue sources that are restricted by legal or regulatory provisions or by administrative action. The Commission on Virginia Alcohol Safety Action Program and the Virginia State Crime Commission account for federal funds received and expended in a Special Revenue Fund entitled Federal Trust Fund.

Trust and Agency Funds – are used by the Joint Legislative Audit and Review Commission to account for funds the Agency receives from the Virginia Retirement System (VRS). The VRS Oversight Act as set forth in Section 30-78 of the *Code of Virginia* requires that the Agency oversee and evaluate the VRS on a continuing basis. These funds are used by the Agency to fulfill these duties.

Basis of Accounting:

The financial statements of the agencies are maintained on the cash basis of accounting, reflecting only revenues received and expenditures paid. Therefore, receivables and payables, inventories, equipment and depreciation, which are material in amount, are not reflected, and these statements do not present the overall financial position or results of operations of the agencies. These statements are presented on the cash basis of accounting which demonstrates compliance with the budget laws of the Commonwealth of Virginia. The more significant attributes of this basis of accounting follow.

COMMISSIONS OF THE COMMONWEALTH OF VIRGINIA**

**NOTES TO THE FINANCIAL STATEMENTS

Note 1. Summary of Significant Accounting Policies (Continued)

Basis of Accounting: (Continued)

Appropriations from the Commonwealth and grant revenue are recorded when measurable and deemed available by the State Comptroller to finance operations during the fiscal year. Appropriations are authorizations to spend funds from the General Fund of the Commonwealth, and they have been reported as revenue available to the agencies in these financial statements.

Budgets and Budgetary Accounting:

The budget for the agencies is established by the Appropriations Act (the ‘Act’) as enacted by the General Assembly of Virginia for the biennium ended June 30, 2012. No payments can be made except as provided for in such Act or in any other Act of the General Assembly making an appropriation. The Act places legal restrictions on expenditures at the Agency level.

The budget is prepared principally on the cash basis. Budgeted amounts reported in the financial statements are as originally appropriated to the agencies and subsequently adjusted by transfers from other appropriations authorized by the General Assembly.

Cash:

Cash consists primarily of each Agency’s share of cash on deposit with the State Treasurer. In addition, because the Treasury Pool is sufficiently liquid to permit withdrawal of cash at any time without prior notice or penalty, equity in the pool is also deemed to be a cash equivalent. The amounts in the Treasury Pool are collateralized in accordance with the Virginia Security for Public Deposits Act Section 2.2-4400 *et seq.* of the *Code of Virginia*.

Note 3. Contingencies:

Certain agencies participate in various federally assisted grant programs. These programs are subject to financial and compliance audits by the grantors or their representatives. Such audits could lead to requests for reimbursements to the grantor agency for expenditures disallowed under terms of the grant. Agency managements believe that such disallowances, if any, will be immaterial.

REPORT ON INTERNAL CONTROL OVER FINANCIAL REPORTING AND ON COMPLIANCE AND OTHER MATTERS BASED ON AN AUDIT OF FINANCIAL STATEMENTS PERFORMED IN ACCORDANCE WITH GOVERNMENT AUDITING STATEMENTS

The General Assembly, and Legislative
Agencies and Commissions of the
Commonwealth of Virginia

We have audited the cash basis financial statements of the General Assembly, and Legislative Agencies and Commissions of the Commonwealth of Virginia, as of and for the year ended June 30, 2012, and have issued our report thereon dated October 15, 2012, which was qualified because the financial statements are prepared on a cash basis, which is an other comprehensive basis of accounting. We conducted our audit in accordance with auditing standards generally accepted in the United States of America and the standards applicable to financial audits contained in *Government Auditing Standards*, issued by the Comptroller General of the United States.

Internal Control Over Financial Reporting

Management of the General Assembly, and Legislative Agencies and Commissions of the Commonwealth of Virginia are responsible for establishing and maintaining effective internal control over financial reporting. In planning and performing our audit, we considered the General Assembly, and Legislative Agencies and Commissions of the Commonwealth of Virginia's internal control over financial reporting as a basis for designing our auditing procedures for the purpose of expressing our opinion on the financial statement, but not for the purpose of expressing an opinion on the effectiveness of the General Assembly, and Legislative Agencies and Commission of the Commonwealth of Virginia's internal control over financial reporting. Accordingly, we do not express an opinion on the effectiveness of the General Assembly, and Legislative Agencies and Commission of the Commonwealth of Virginia's internal control over financial reporting.

A *deficiency in internal control* exists when the design or operation of control does not allow management or employees, in the normal course of performing their assigned functions, to prevent, or detect and correct misstatements on a timely basis. A *material weakness* is a deficiency, or a combination of deficiencies, in internal control such that there is a reasonable possibility that a material misstatement of the entity's financial statements will not be prevented, or detected and corrected on a timely basis.

Our consideration of internal control over financial reporting was for the limited purpose described in the first paragraph of this section and was not designed to identify all deficiencies in internal control over financial reporting that might be deficiencies, significant deficiencies or material weaknesses. We did not identify any deficiencies in internal control over financial reporting that we consider to be material weaknesses, as defined above.

Compliance and Other Matters

As part of obtaining reasonable assurance about whether the General Assembly, and Legislative Agencies and Commissions of the Commonwealth of Virginia's financial statements are free of material misstatement, we performed tests of their compliance with certain provisions of laws, regulations, contracts, and grant agreements, noncompliance with which could have a direct and material effect on the determination of financial statement amounts. However, providing an opinion on compliance with those provisions was not an objective of our audit, and accordingly, we do not express such an opinion. The results of our tests disclosed no instances of noncompliance or other matters that are required to be reported under *Government Auditing Standards*.

This report is intended solely for the information and use of the respective management of the General Assembly, and Legislative Agencies and Commissions of the Commonwealth of Virginia, and is not intended to be and should not be used by anyone other than these specified parties.

Communication with Those Charged with Governance

To the General Assembly and
Legislative Agencies and Commissions
of the Commonwealth of Virginia

We have audited the cash basis financial statement of the General Assembly and Legislative Agencies and Commissions of the Commonwealth of Virginia for the year ended June 30, 2012. Professional standards require that we provide you with information about our responsibilities under generally accepted auditing standards and *Government Auditing Standards*, as well as certain information related to the planned scope and timing of our audit. We have communicated such information in our letter to you dated August 30, 2012. Professional standards also require that we communicate to you the following information related to our audit.

Significant Audit Findings

Qualitative Aspects of Accounting Practices

Management is responsible for the selection and use of appropriate accounting policies. The significant accounting policies used by the General Assembly and Legislative Agencies and Commissions of the Commonwealth of Virginia are described in Note 1 to the financial statement. No new accounting policies were adopted and the application of existing policies was not changed during 2012. We noted no transactions entered into by the General Assembly and Legislative Agencies and Commission of the Commonwealth of Virginia during the year for which there is a lack of authoritative guidance or consensus. All significant transactions have been recognized in the financial statement in the proper period.

The financial statement disclosures are neutral, consistent, and clear.

Difficulties Encountered in Performing the Audit

We encountered no significant difficulties in dealing with management in performing and completing our audit.

Corrected and Uncorrected Misstatements

Professional standards require us to accumulate all known and likely misstatements identified during the audit, other than those that are trivial, and communicate them to the appropriate level of management. Management has corrected all such misstatements. In addition, none of the misstatements detected as a result of audit procedures and corrected by management were material, either individually or in the aggregate, to the financial statement.

Disagreements with Management

For purposes of this letter, professional standards define a disagreement with management as a financial accounting, reporting, or auditing matter, whether or not resolved to our satisfaction, that could be significant to the financial statement or the auditor's report. We are pleased to report that no such disagreements arose during the course of our audit.

Management Representations

We have requested certain representations from management that are included in the management representation letters dated October 15, 2012.

Management Consultations with Other Independent Accountants

In some cases, management may decide to consult with other accountants about auditing and accounting matters, similar to obtaining a "second opinion" on certain situations. If a consultation involves application of an accounting principle to the General Assembly and Legislative Agencies and Commissions of the Commonwealth of Virginia' financial statement or a determination of the type of auditor's opinion that may be expressed on the statement, our professional standards require the consulting accountant to check with us to determine that the consultant has all the relevant facts. To our knowledge, there were no such consultations with other accountants.

Other Audit Findings or Issues

We generally discuss a variety of matters, including the application of accounting principles and auditing standards, with management each year prior to retention as the General Assembly and Legislative Agencies and Commissions of the Commonwealth of Virginia' auditors. However, these discussions occurred in the normal course of our professional relationship and our responses were not a condition to our retention.

This information is intended solely for the use of the management of General Assembly and Legislative Agencies and Commissions of the Commonwealth of Virginia and is not intended to be and should not be used by anyone other than these specified parties.
